**PARENTAL CONSENT/WAIVER FORM FOR MINORS
(NOTE: this waiver MUST be received prior to boarding)**

We look forward to having your son/daughter sail with us! Before he/she boards the ship, you must fill out this form completely and return it to the teacher/leader of the group.

Please feel free to ask any questions of the teacher/leader in your group. If they cannot answer your question they will pass it on to us. One question we get often is regarding seasickness: it is usually not a problem on our school trips but when it occurs it rarely lasts more than a few hours.

We look forward to having your son/daughter as Trainee on board one of our tall ships, the *Pacific Swift* or *Pacific Grace*. If you would also like to sail with us, visit www.salts.ca/member for information about our day sails (only \$35/person or \$70/family!).

I, _____, parent or guardian of _____ DO
HEREBY CONSENT to his/her participation in the sail training program of the SALTS SAIL
AND LIFE TRAINING SOCIETY. I realize that there are special risks of bodily injury from the
ship's gear, running rigging and spars which may be unique to this program. In consideration of
the acceptance by SALTS of my child or ward in this program, I hereby agree to indemnify,
release and save harmless the society, its employees, volunteers or agents for any loss or damage
through personal injury or otherwise, and claims arising from any accident or sickness to my said
child or ward while participating in the said program.

By signing this form I authorize SALTS to use any photos taken of my child or ward during the
voyage in organizational communication publications, websites, or other communications media.

I FURTHER ACKNOWLEDGE that my child or ward shall be required to abide by all rules
governing the conduct of the vessel and the direction or instruction of her Master.

Date: _____

Signature of parent or guardian _____

Please ensure that all medical/food/drug allergies, medical problems, special diet/vegetarian diet
have been noted in your online registration form. Thank you.
